

# Municipalities Program

 **Total Medical Solutions**

*Complex Care. Redefined.*

For over 15 years, major metropolitan areas and other municipalities nationwide have trusted Total Medical Solutions to coordinate the care of their injured workers. TMS' dedicated MUNI team understands that ongoing, and sometimes discreet, communication is needed for these delicate and important claims.

- *Dedicated Municipality Team ("MUNI")*
- *Weekly email updates combined with continuous verbal communication*
- *Clinical review of all home health files by a TMS Senior Nurse*
- *In-house Complex Care team that includes experts in rehab/assistive technology, home modifications and catastrophic care management*
- *Weekly Quality Assessments performed on each case*
- *Medical supply management*
- *Long term / large loss file review program*

**Call or email TMS today to see how an experienced team with a proactive approach can save you hours of time each day.**
